WELCOME TO JÄRVISYDÄN

Heartfelt hospitality since 1658

Tourism in Porosalmi, Rantasalmi began in 1658 when the Tsar of Russia and the King of Sweden made an agreement to build Karelian postal roads through Finland. Guest houses, serving as inns, horse-changing stations, and postal services of that time, were designated along the roads at horse-feeding intervals. At the same time, the head of the Heiskanen family received a 600-hectare peninsula in Porosalmi as thanks for excellent military service. In return for the donation, there was an obligation to build and maintain an inn.

Today, Markus Heiskanen, along with his sons, representing the 11th and 12th generations of the family, operates the Nature Hotel & Spa Resort Järvisydän as innkeepers. The essence of our existence is composed of our Savonian roots, the strength of the local village community, the personal commitment of each Järvisydän resident, and, of course, the breathtaking, most beautiful nature of Finland surrounding us. It invites you to experience something unforgettable.

That is our purpose.

*Welcome to write your life story in the embrace of the same
rocks where it all began.*

-The Heiskanen Family

Sustainable tourism on nature's terms.

The location of Järvisydän by the Linnansaari National Park, on the home waters of the Saimaa ringed seal, has always meant a close connection to nature and a commitment to respecting nature in everyday actions.

RESTAURANT
Solitary

Welcome to enjoy *the Chef's Menu* crafted by the top chef *Remi Trémouille*, changing according to the season!

"We offer dinner experiences in the midst of enchanting nature of Lake Saimaa, in isolation of the rush and urgency of the rest of the world.

Everything we do is inspired by a passion towards great food and handwork. We want to offer our guests only the best there is and that is why every single detail is carefully considered.

To us, the word 'solitary' does not only mean the secluded location of the restaurant and the resort, but also the trust we have to do the things in our own way."

Restaurant Solitary is located in the main building of Kuru.
